YOU'LL NEED: CARDBOARD TUBE, COLORED PAPER, SCISSORS,  
GLUE OR TAPE, MARKERS OR PAINT

**THIS SIMPLE PAPER CRAFT LETS YOU GET CREATIVE  
AND PRACTICE SCISSOR SKILLS, AS YOU STYLE  
YOUR OWN COLORFUL CHARACTER!**

## 1. COLOR

- Use paint, markers, or crayons to color a cardboard tube. Add a face and ears if you want to.

## 2. CUT PAPER

- Take a piece of colored paper the long way, and cut thin strips, stopping an inch or two from the bottom.

- The strips will become your buddy's hair, so you can decide how thick you want them to be, and what shape.

## 3. ATTACH HAIR & STYLE!

- Make a line of glue along the bottom, uncut part of your paper hair, and then carefully wrap it around the top of your tube buddy.
- Now that your buddy has hair, you can style it however you'd like!

**There are lots of things you can try!**

- roll paper around pencil to get curls
- fold paper to create texture
- wrap pieces together to make
- add a bow or barettes
- cut different lengths
