

HOW IT WORKS

Read! It can be a book, audiobook, magazine, newspaper, webcomic—whatever! Reading to or with kids counts too.

Log! Use Beanstack (waukeelibrary.beanstack.org), the Beanstack app, or this paper log to track your reading.

We recommend logging your reading online through Beanstack, but if you're unable to log your reading online you can return paper logs during scheduled hold pick-ups at the library, through email at askme@waukee.org, or over the phone at 515-978-7944.

Claim your prizes! Every half hour that you read counts as one entry into the weekly and grand prize drawings. While supplies last, you'll get a limited edition summer reading tote when you turn in your first log (five hours)! You can get additional entries into the drawings by completing the optional activities.

Prizes will be available inside the library during Library Express hours. You may also schedule a curbside prize pick-up, which may require an advanced notice of one business day, by calling the library at 515-978-7944.
